Foreword

Fiesta time again and with it the Fiesta Show. For nearly a half century the Fine Arts Museum has been host to this unique non-juried annual exhibition. This display, the 48th, adds color to Santa Fe's celebrations, and provides for democratic representation of all artists living in New Mexico.

The exhibition has one item each from the 215 artists who have contributed work. Four cash prizes and six honorable mentions were awarded. Decisions for these honors were made by a three-man awards committee.

The Museum of New Mexico extends appreciation and thanks to all those who have helped toward the success of this exhibition.
